

# *El Mirador*

**TYPE** Villa **DESTINATION** Marbella – Spain

## **A spectacular villa that belongs to an international elite of homes**

In Cascada de Camojan (Golden Mile, Marbella), this outstanding villa boasts all the qualities guests look for: an exceptional location, captivating Mediterranean elegance, panoramic ocean views, and an extremely high level of architectural refinement. Located within a gated community, Cascada de Camojan, it's in a prime location close to Sierra Blanca. In this family home, you will find modern yet elegant interiors and areas.

### **Accommodation**

There are many unique features throughout the house, such as a double-height entrance and an indoor balcony that opens to the symmetrical space beneath. Featuring a wooden beam ceiling and direct access to the terrace, the living room is large and spacious. The dining room is separate. This property features 5 bedrooms with 5 en-suite bathrooms. The master bedroom is especially noteworthy because it offers a mini home cinema as well as a dressing room with wooden floors and matching wardrobes. It also has a private terrace, and a bathroom.

## About the architect Marcos Sainz

This studio is based in Marbella and is funded by Marcos Sainz. His contributions to constructing Puerto Bans, one of the world's most iconic buildings, have made him a world-renowned architect.

Integrating architecture, interior design, and urban planning is the firm's specialty. In all popular areas of Marbella and in other cities in Spain and abroad, many private residences and urbanizations as well as golf clubhouses and restaurants have been constructed.
