## Surrounded by beauty & tranquility

Welcome to where Mallorca shows its original and absolutely calm face: in the north of the island. Our Finca Familia is beautifully nestled on a ten-hectare private property between the towns of Pollença and Port de Pollença. If you turn off the main road, you will immediately be surrounded by absolute tranquility and a beautiful landscape of grapevines, olive, almond and organic trees.

Finca Familia is perfect for families and those seeking relaxation. There are 3 houses on the property, close enough to be reached in a short time, but still far away as to not disturb your privacy.

Palma Airport is about 60 minutes away by car. If you fancy a round of golf, the dignified Golf Club Pollença are about ten minutes away. The nearest supermarket can be found in five minutes.
