## Jet-set life in Kitzbühel

The farmhouse apartments are perfectly connected in the immediate vicinity of the Schwarzsee, which invites you in summer for fishing or swimming and in winter for fantastic cross-country skiing tours. This location offers peace, nature, and relaxation with close proximity to the boutiques and jet-set life in Kitzbühel.

### ASCEND KITZBÜHELER HORN

In Austria, one of the most famous mountain peaks is Kitzbüheler Horn, which has a height of 1,998 meters. The summit features the picturesque Gipfelhaus, a chapel, and the Alpenhaus restaurant, all of which can be accessed by cable car from the 1,273-meter Pletzeralm.

### ENJOY SKIING IN KITZBÜHEL

South of Kitzbüheler Horn is the similarly impressive Hornköpfl, which rises to 1,772 meters. During the ski season, the mountain can also be reached by cableway. This makes it one of the most popular ski destinations in Europe, if not all of the world. Skiers from all over the world flock to Kitzbühel and its surroundings once the snow starts falling.

### EXPLORE KITZBUHEL'S TRAILS BY HIKING AND BIKING

Kitzbühel's slopes transform from a winter wonderland to a hiker's paradise during warmer weather. Over 1,000 kilometres of trails are available in the region, ranging from easy strolls through colourful valleys and meadows to challenging climbs to the region's many peaks.
