

Menorquin Yachts

TYPE Yacht **DESTINATION** Mallorca | Menorca | Ibiza | Costa Blanca

Classic sea living

Our yachts are efficient, leisurely and allow you to experience the sea in a unique, comfortable and enjoyable ride. The semi-displacement hull that is characteristic of all our Menorquins, offers an extraordinary breadth in boat width, ensuring maximum stability regardless of the sea's temperament, and its very shallow draft allows you to explore even the smallest bays and coves. This comfort in living and cruising is difficult to find in other yachts with similar boat lengths.

All Buccara Menorquin charter yachts are fully equipped and ready to leave for fun and adventure. Buccara takes care of all of the details, so you only need to bring your enthusiasm for the journey. Our yachts are navigated by qualified skippers who know our boats and bring you safely to their destination. We also have yachts available for half day, full day and private events.
