Penthouse Kitzbühel

A century-old farmhouse forms the outer shell for this penthouse. As soon as you enter, the oak planks of the staircase spread the charm of the good old days. And this impression extends to the top apartment. The spacious living room is completely open. A stone fireplace spreads pleasant warmth, which can be enjoyed in the sunshine on the wide wooden balcony.

The interior of the apartment is dominated by natural, typically Tyrolean materials. The decor is understated, yet down-to-earth and detail-loving. From the entire living area, the breathtaking view of the Alpine panorama of the Kitzbühel Alps and the "Streif" race track impresses.

Overall, the penthouse sleeps four in two bedrooms with a fully equipped bathroom with a shower and a guest toilet. The kitchen has a traditional look, but offers all the technical amenities expected of a modern cooker. A double fridge with ice maker and a large freezer complete the absolutely high-quality equipment.

The penthouse has a glass roof, where you can indulge the mountain sun, even on cold days.
