

El Nido

TYPE Villa **DESTINATION** Urbanización Cascada de Camoján 28, 29602, Marbella (Málaga), Spain **CAPACITY** 16 pax

Modern mega mansion

Bringing new standards of architectural refinement and creative excellence to Marbella, this unique villa combines captivating elegance, contemporary aesthetics and practicality. The architectural jewel is tucked away within natural greenery in the foothills of the Sierra Blanca and boasts views of two continents and the Mediterranean. In addition to being a true family home, this fabulous contemporary property combines 21st-century technology with spaces that are spacious, modern, and impressive while remaining classy, elegant, and comfortable.

Accommodation

Throughout the house, both in the entrance area and in the living areas, the best ecological materials and styles are used: dining room with custom-made furniture, 6 bedrooms en suite, each with its own elegant and minimalist style. 2 guest bedrooms with a shared bathroom. Poggenpohl kitchen, impressive private studies, a glass wine cellar which is a design element, and a magnificent spa surrounded by natural light, featuring sauna, steam bath, cold bath, gym and beauty salon. Outside there is a large infinity pool, outdoor furniture and a tennis court available.

About the architect: Joaquin Torres

Cristiano Ronaldo, Penélope Cruz, Javier Bardem, Alejandro Sanz, and former Spanish President Felipe González are among the celebrities to have succumbed to Torres's style and charm. In fact, the list extends well beyond Spanish borders. Interestingly, his famous clients serve as his most effective ambassadors.

He has been involved in various high-profile projects, including residential homes, commercial buildings, and public spaces. His work often incorporates luxurious materials and a strong emphasis on modern aesthetics, creating visually striking structures that push the boundaries of architectural design.
